This is your opportunity!

Do you like to cycle? Do you like people? Do you like to cycle with people? If YES, this opportunity is for you!

Your Owen Sound Cycling Club is planning an exciting, expanded 2024 cycling season for our members! To ensure we are successful, we need your support. We are actively increasing the number of ride leaders to ensure we all have safe, fun rides with all of our groups on all of our routes.

The Ride Leader's role is particularly important in determining the success of a group ride. We are looking to have every ride to include a Ride Captain and a Ride Leader for each subgroup. We are looking for enthusiastic individuals that possess the values of our club; Inclusivity, Caring, Respect, Safety, Leadership, and Knowledge.

Don't know what a Ride Leader does? No worries! We will provide training sessions and resources to support you at every turn. You do not have to have previous experience as a Ride Leader.

This is a fantastic opportunity to get more involved with the club and help us deliver another season of outstanding cycling. If you are interested, please contact our OSCC Ride Coordinator, Jim Porteous, at: jimvporteous@gmail.com.

Don't wait, do it now! Jim wants to hear from you!
